Aster Vale Demonstration Clinic (fictional)

Scheduling review

Patient: Daniel M. (synthetic) | ID: SYN-001 | DOB: 1978-10-06

Encounter: ENC-001-04 | Source: DOC-001-10 | Type: administrative_note

Clinical time: 2026-04-30T11:00:00+03:00

Documented: 2026-04-30T11:10:00+03:00 | Author: Dr Mira Vale (fictional)

SYNTHETIC — NOT FOR CLINICAL USE

At checkout the prior repeat-radiograph task is still displayed as outstanding. Patient reports attending imaging earlier today; finalized result is not yet visible to scheduling staff. Internal medicine appointment requested. Task completion will require report reconciliation.
