Patient: Daniel M. (synthetic) | ID: SYN-001 | DOB: 1978-10-06

Encounter: ENC-001-06 | Source: DOC-001-11 | Type: discharge_summary

Clinical time: 2026-07-08T12:15:00+03:00

Documented: 2026-07-08T12:45:00+03:00 | Author: Dr Nia Reed (fictional)

SYNTHETIC — NOT FOR CLINICAL USE

Ambulatory disposition following urgent assessment. Stop lisinopril; losartan 25 mg once daily prescribed from tomorrow. Do not take both medicines together. Respiratory review booked July 22. CT requested, appointment pending. Seek urgent care for breathlessness at rest, hemoptysis, chest pain or rapid deterioration. No CT or spirometry result available today.
